

Cuyahoga Valley Photographic Society Workshop

Nature Photography with Willard Clay

October 25 - 28, 2018

Join the Cuyahoga Valley Photo Society and renowned professional photographer, Willard Clay, for a workshop focused on strengthening your nature photography skills and vision during the beautiful autumn season!

As one of the country's masters of landscape photography, Willard Clay will share his years of experience to help participants gain a deeper understanding of what makes great nature photography and how to incorporate those elements in their own work. During the workshop, he will teach about strong composition and understanding and creatively using light. He will place special emphasis on shooting "intimate landscapes" in the style of photographer Eliot Porter, looking at Porter's artistic choices and techniques.

Field sessions will provide the opportunity to apply these ideas and techniques, assisted by Willard. In addition to classroom lectures and field shooting, the workshop includes constructive critique sessions to help participants refine their work and improve their images!

Workshop Fee:

\$395 CVPS member/ \$460 non-member (non-member fee includes annual membership dues). \$225 deposit; balance due September 5th. Fee does not include lodging, meals, or transportation. To register, call the Conservancy for CVNP: 330-657-2909 or [register online](#).
