

Cuyahoga Valley Photographic Society Workshop

Lightroom: Crafting the Fine Photograph with Tim Cooper February 17-19, 2012

Join the Cuyahoga Valley Photo Society for an informative, interactive - and fun! - workshop with nationally recognized photography instructor and digital guru, Tim Cooper. This workshop is for participants who are new to or somewhat familiar with Adobe Lightroom® and want to take their post-processing skills to the next level! Special emphasis will be placed on developing efficient work habits, security of your imagery, and producing dramatic and meaningful photography. Participants will leave with a complete understanding of the Adobe Lightroom® Workflow. This is a hands-on workshop, so you practice as you learn. This allows you to work on your computer with your own photographs to build your skills!

Highlights of Workshop Content

- Creating a safe and efficient Lightroom® Catalog
- Setting your preferences
- In-depth study of the Library Module:
 - Steps to create a workflow that fits your style/needs
 - Lessons on creating dramatic and meaningful photography
- In-depth study of the Develop Module:
 - Using the Develop Module to improve the impact of your images
 - Portrait retouching
 - Creating a style with your images
 - Methods of improving photos using localized adjustments
 - Creating Presets to allow more time behind the camera instead of the computer
- Discussion on how Adobe Lightroom® manages Library and Developing metadata
- Developing a manageable keyword system
- Secrets to selecting and culling your imports and archives
- Producing usable collections
- Purchasing and developing a quick and reliable back up system for your photographs
- Preparing your images for Print
- Exporting your photos from Adobe Lightroom® into Photoshop or external plug-ins
- Using the export dialog box for quick and easy emails and copies ... plus much, much more!

Tim began his career as a commercial and assignment photographer working with clients such as The North Face, Vasque, and 3M. His editorial and commercial photographs have appeared in, among others, Travel and Leisure, The New York Times Magazine, Outdoor Photographer, and Fly Rod and

Reel. Tim now spends most of his time as an educator lecturing on photographic and digital imaging technologies throughout the country. He is currently on the faculty of the Rocky Mountain School of Photography, leading field and digital workshops, and is the author of several books on Photoshop as well as training videos. He is creator of the free online PhotoCircle, where he shares his passion for photography. For information on Tim and his work, visit timcoopersphotocircle.com.
