

Cuyahoga Valley Photographic Society Workshop

Lightroom: Crafting the Fine Photograph with Tim Cooper January 11-13, 2019

Back by popular demand! CVPS is excited to welcome nationally recognized photography instructor, Tim Cooper, for an intensive workshop for those who are new to or somewhat familiar with Adobe Lightroom® and for all those who want to take their post-processing skills to the next level! Emphasis will be placed on developing efficient work habits and producing meaningful photography. Tim will cover the complete Lightroom® workflow. This is a hands-on workshop, so you will practice on your own laptop as you learn. With Tim as your instructor, the weekend is guaranteed to be information-packed—and fun at the same time!

Highlights of Workshop Content

- Creating a safe and efficient Lightroom Catalog
- Setting your preferences
- In-depth study of the Library Module:
 - Steps to create a workflow that fits your style/needs
 - Lessons on creating dramatic and meaningful photography
- In-depth study of the Develop Module:
 - Using the Develop Module to improve the impact of your images
 - Portrait Retouching
 - Methods of improving photos using Localized Adjustments
 - Creating Presets to allow more time behind the camera instead of the computer
- Discussion on how Adobe Lightroom® manages Library and Developing metadata
- Developing a manageable keyword system
- Secrets to selecting and culling your imports

- Producing usable collections
- Purchasing and developing a quick and reliable back up system for your photographs
- Preparing your images for print
- Exporting your photos from Adobe Lightroom® into Photoshop or External Plugins
- Using the export dialog box for quick and easy emails and copies ...plus much more!

Tim began his career as a commercial and assignment photographer working with clients such as The North Face, Vasque, and 3M. Tim now spends most of his time as an educator lecturing on photographic and digital imaging technologies throughout the country. He has been on the faculty of the Rocky Mountain School of Photography and is the author of several books on Photoshop as well as a number of popular training videos. He currently shares his passion for photography through [Photographer's Breakthrough](#).

Workshop Details and Registration

Participants must bring their own laptop with the latest version of Lightroom already installed and ready to use. The workshop is classroom-based at the Courtyard by Marriott-Stow and meets Friday thru Sunday, 9:00am – 6:00pm with an hour lunch break. Fee does not include lodging, meals, or transportation.
